# **Evan Duffy**

Home: 27 Bradley Rd, Arlington, MA 02474

School: 100 Institute Rd, Worcester MA 01609 - Box 765

Phone: 339-368-2852 Email: <u>ELDuffy@wpi.edu</u>

## **Objective**

My passion is computer science. I'm currently seeking a summer internship in a field that relates to my major, Computer Science. I am a freshman at Worcester Polytechnic Institute and have credit for Calculus 1 through 4 and several sophomore computer science classes.

#### Skills

- Proficient in many programming languages:
  - o Iava
  - o C/C++/C#
  - Python
  - o HTML/PHP
  - o Arduino (And Java counterpart, Processing)
  - BASIC
- Written over 100 programs, including video games, web apps, calculators and even an app that helps new students and visitors navigate my home town's high school, Arlington High School.
- Proficient with Microsoft Office (Excel, Word, PowerPoint, etc.) and similar programs, and experienced in working on Mac (10.6 10.10), Windows (XP 8) and several flavors of Linux.
- Proficient at SolidWorks.
- Use of shop tools (Drill press, mill, solder, saws, etc.).

## **Education**

- Worcester Polytechnic Institute: Expected graduation year of 2019
  - o Bachelors of Science in Computer Science
  - Relevant Course Work
    - Object Oriented Programming (B Term)
    - Systems Programming (C Term)
    - Introduction to Game Design (A Term)
- Arlington High School: Graduated May 2015
  - o AP Physics
  - o AP Computer Science
  - o AP Economics
  - Honors Calculus
  - o Honors CADD
  - Honors English

## **Experience**

- In 2013 volunteered as a counselor at a 4-H summer camp, Blueberry Cove, in St. George, Maine, run by the University of Maine.
- Worked in a flower shop as a delivery runner and inventory worker, June to August 2015 and December 2015 to January 2016. (Contact: Shannon Guthrie, 617-955-0123, A-Whole-Bunch Flower Market)

## **Activities**

Rowed for the Arlington-Belmont Crew team from September 2011 to May 2015, 12 consecutive official seasons. Crew practice was 2.5 hours a day 5 to 6 days a week with races on Sundays. Crew runs in the spring and fall and there are also winter and summer training programs.
